Dear Sir/Madam,

Subject: Intimation under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

In terms of Regulation 30 read with Schedule III of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are pleased to inform you that, Shipwaves Online Limited (the Company) has received a Purchase Order worth of **Rs. 1,56,70,678/- (Rupees One Crore Fifty-Six Lakh Seventy Thousand Six Hundred Seventy-Eight only)** from Hindalco Industries Limited for implementation of a comprehensive, end-to-end logistics digitalization solution tailored to Hindalco's operational and compliance requirements.

This engagement marks a significant milestone for Shipwaves, as Hindalco becomes the second company from the Aditya Birla Group ecosystem to adopt the Shipwaves platform, following the earlier onboarding of Grasim Industries.

Hindalco selected Shipwaves after evaluating multiple technology platforms and recognizing the value of Shipwaves' differentiated capabilities in digitizing and optimizing global freight operations. The platform will support Hindalco with:

- **End-to-End Export Shipment Management** – enabling centralized planning, documentation, tracking, and execution of export shipments.
- **AI-Enabled Freight Bill Audit** – automated validation of freight invoices to improve cost accuracy and reduce revenue leakage.
- **Digital Freight Tender Management for Imports** – a structured and transparent platform for managing freight procurement and tendering across logistics partners.

The adoption of the Shipwaves platform by Hindalco further validates the scalability, reliability, and enterprise-grade capabilities of Shipwaves' technology for large global manufacturers.
